

Without!

A Christmas Meditation

*Without the **Incarnation** of Christ there would have been no Demonstration of what God the Father was really like... for 33 years in the cradle of civilization.*

.....

*Without the **Demonstration** of Christ walking this earth, living a sinless life, loving us unconditionally, forgiving all who dared ask, and healing the sick who chose to believe and receive, there would have been no Crucifixion.*

.....

*Without the **Crucifixion** of Christ nailing our sins to the Cross, there would have been no Resurrection... up from the grave, defeating death and demons.*

.....

*Without the **Resurrection** of Christ there would have been no Presentation of Himself to the 12 and the 500 who saw Him and touched Him afterwards.*

.....

*Without the **Presentation** – Living Proof, there would have been no Ascension.*

.....

*Without Christ's **Ascension** to the right hand of the Father, there would have been no Salvation possible for you and me.*

.....

*Without **Salvation**, you and I would be doomed both now and forever.*

.....

*It all started with the **Incarnation!** Emmanuel – God with us!*
